A passionate developer and recent mathematics graduate from the University of St Andrews with a strong aptitude for problem solving. I have experience coding in Python, Java and SQL and am keen to learn more and improve as I work. I have recently completed a Web Development course studying HTML, CSS and JavaScript. My goal is to work as a programmer and constantly develop my skills.

## **Activities**

I am an active member of Edinburgh Athletics Club and an 800m runner. I was elected President of the Athletics and Cross-Country Club at the University of St Andrews in 2020 and was Treasurer in 2019. I am a qualified Assistant Athletics Coach and have worked coaching children at local schools and officiating at competitions. As former member of the St Andrews Symphony Orchestra I have achieved ABRSM Grade VIII Piano (with Distinction) and Grade VII Cello (with Merit). I have worked as a Deliveroo rider and am a keen cyclist.
